LETTER OF QUALIFICATION

J.W. Bommarito Construction Company, Incorporated was established in July 1997 with the goal to become the best site utility contractor in the St. Louis area. We set out to achieve this goal through competitive bidding, value based design and engineering ideas, use of quality subcontractors and suppliers, close attention to coordination/ scheduling/phasing of projects and the use of quality/timely union workmanship in completing projects.

Our expertise in the installation of water mains, storm and sanitary sewers for commercial, residential and municipalities as well as specializing in all aspects of site development (mass earthwork, land clearing, demolition, land development, site grading/finish grading) generates revenues in the range of 25-30 million dollars annually. We are fully bonded and are a licensed drainlayer within numerous counties and municipalities. Our areas of operation include, but are not limited to: St. Louis City, St. Louis Count by, Jefferson County, St. Charles City and St. Charles County & Franklin County.

Our staff possesses multiple years of employment and experience in the site development industry. Please visit www.bommaritoconstruction.com for additional information and project information.
